CONDOMINIUM

This condominium boasts a generous floor plan featuring three well-proportioned bedrooms and two bathrooms. The layout is designed to maximize space and create a comfortable living environment. The condominium's interior showcases rare courtyard design elements, including sunlight with two balconies, new paint, a nine-foot-high ceiling, hardwood floors, granite countertops, and stainless steel appliances. The parking garage provides an abundance of additional storage. Unit offers two parking spots and ample guest parking available per floor. Situated in Koreatown, one of Los Angeles' most vibrant and culturally rich neighborhoods, this condominium offers easy access to a plethora of dining, shopping, and entertainment options. It is also conveniently located near public transportation, major highways, and downtown Los Angeles.
