Presidents-elect Mark hongssi immigration agents when 4-year-old ... Korean American Association, followed Organisations wind generation change evident on

[Demand topic]

"More than half of the Association of Directors 50 1.5 years and 2 years of receiving one of three members seek help new changes."

Geoseda a generational shift in the wind LA Korean American community. Recent Korean Association (President Laura ago), was first elected to the English-speaking president of the Chamber of Commerce and Industry (Chairman, following), etc. Representative Organisations were one-year-old Southern California Korean American Real Estate Association was founded 28 years amid the changing room with the English-speaking president of the 1.5 in .

Southern California Korean American Real Estate Association of the last 10 days Open fourth round in regular Board conducted a president-elect and president elections, the sole bolting marked Hong (55) Vice President to President-elect Kenny trillion former elected respectively Chairman Chairman at JJ Grand Hotel did. Term of office will be one year from 1 January next year.

Mark Hong, president-elect immigrants come to the United States four years old Sena is no different because the two grew up. With the birth comfortable speaking English than Korean president Members are showing great interest in how to go lead the Red Sea Association president-elect in the future.

Hong, president-elect, "the Korean community Now it is important to embrace the next generation," said "the time has come for phase two Korean Americans strongly support a new generation of increasingly active as long as within the United States," he said.

In fact, the current real estate in Southern California Korean American Association of Directors of more than 50 people, about half the 1.5 years, or two reckon.

He said, "will try also seek the way of change to be the association that can compete alongside the mainstream real estate industry," he say, "ever one-year-old seniors will be the next target of going well led leading real estate associations more actively." .

It is a 1-year-old president-elect Hong Estate Association gotta pulled pivotal time in charge of its members have a soft spot for the Korean community on the underlying. He is the name of the real estate company 'Chorus (KORUS) Property' representatives who also put the United States 'US' to 'KOR' of Korea made their name directly.

Emphasized that "what will be more focus on developing a variety of new programs to assist Association members," He said, "I'll find work contribute to the Association as well as the entire Korean community," he said.
